

This surgery is part of:
HERTS HEALTH
A Network of GP Practices
working together across Hertsmere

**We Provide Access to
 General Practice Services
 With
 Evening and Weekend Appointments
 Starting 31st March 2018**

Hertsmere residents can get **Evening & Weekend** GP appointments via our special “access hubs” throughout the borough.

If you are registered with a GP and need to see someone outside of normal opening hours, your practice will offer you the next available appointment at one of our GP access hub.

CONSENT

The GP who you have an appointment with will be able to access a summary of medical records with your permission.

All appointments will be booked through our Reception Staff and are available at these practices in Hertsmere
